Commitment Statement Regarding the Trade Compliance

Implementation by JinkoSolar Group

Date: Jan. 7, 2025

To: All Board Members, Officers and Employees

Subject: 2025 Commitment Statement re Trade Compliance

Implementation by JinkoSolar Group

For the purposes of maintaining market competitiveness under the rapidly changing global trade policies, improving the Company's trade compliance in operation and management, and consistently rewarding our customers, stakeholders and business partners for their trust on us, Jinko Solar Co., Ltd., and its subsidiaries (collectively, the "**Company**" or "**JinkoSolar Group**") are committed to fully complying with applicable laws and regulations of all relevant countries and regions in relation to the Company's business, and ensuring that the Company's current management system, and business operation are in compliance with such applicable laws and regulations.

The Company will ensure the effective implementation of the trade compliance project, through developing compliance code of conduct and compliance operation manuals, rolling out a wide range of training programs, and optimizing the existing internal control system and procedures for trade compliance. The Compliance Management Team of

JinkoSolar Group's Trade Compliance Department will collaborate with relevant departments to ensure the implementation and subsequent supervision of the matter.

All Board members, managements and employees of the Company shall comply with the relevant applicable trade compliance laws and regulations of relevant countries and regions in relation to the Company's business, and carry out business in strict compliance with the Company's compliance policies and operation manuals developed under such laws and regulations. Without a prior risk assessment by the TRADE COMPLIANCE DEPARTMENT, no one shall carry out relevant business involving trade compliance risks, especially on the businesses in countries or regions with sanction risks.

The Company hereby declares that any violation of trade compliance laws and regulations applicable to any of the Company's business may cause severe consequences, such as criminal penalties and/or administrative penalties, including but not limited to hefty fines and trade bans, to the Company and relevant persons in charge. Therefore, if any director, officer or employee of the Company violates relevant laws or policies, he or she shall, in addition to legal liabilities, be subject to disciplinary actions under the Company's internal policies.

Please take it seriously and give your full support to our compliance efforts. If you have any question or become aware of anything suspicious in your daily business activities, please immediately contact the TRADE COMPLIANCE DEPARTMENT. Contact: Please send e-mail to GlobalTradeCompliance@jinkosolar.com.

The management of JinkoSolar Group believes that compliance management is the key to the continued success of the Company and its branding. Let's work together to develop JinkoSolar Group into a company which not only offers outstanding products and first-class services, but also serves as a model for compliance management.
